

Moretti Forni brings the future of baking to Pizza Expo Las Vegas 2025

From **March 25 to 27**, Moretti Forni will be at **Pizza Expo Las Vegas**, the most important pizza industry event in the U.S., held at the **Las Vegas Convention Center - West Exhibit Hall**.

A can't-miss event to discover the latest technologies for commercial ovens with exclusive masterclasses with famous pizza chefs.

Come at **Booth 2750** to meet pizza chefs like **Massimo Laveglia** and **Nick Baglivo** from **L'Industrie NY**, **Daniele Brenci**, **Anthony Iannone**, **Richi Ourichian**, **Carlo Luciano**, and **Jonathan Atzeni**, that will lead exclusive masterclasses, showcasing cutting-edge pizza baking techniques.

Our **protagonist advanced** ovens will be:

- **S series** - for efficiency, customization, and versatility
- **Neapolis** - the powerful dome oven, reliable and with constant temperature
- **T series** - a fast, easy-to-use conveyor oven for high-volume production

Pizza Expo Las Vegas is an international stage where **Moretti Forni** will show how advanced baking technologies optimize both quality and efficiency in production processes.

Join us from **March 25 to 27** at **Las Vegas Convention Center - Booth 2750**, and live Moretti Forni's baking experience.
